Minkee® Pals

Make these fun and easy Minkee® pals entirely on the embroidery machine!

Supplies:

- 2 5" square pieces Minkee Blankee® fabric
- 1 8" square Polymesh
- 1 4" square Aqua Film topping
- 505 Temporary Adhesive Spray
- Isacord thread
- White Polyester Bobbin Thread
- Embroidery Machine
- Embroidery Scissors
- Minkee® Pals OESD Pack #11936
- Polyester Stuffing (extra-soft stuffing is recommended)
- Hand Needle

Hoop a single layer of Polymesh stabilizer.

Spray the stabilizer lightly with 505 spray.

Place a 5" square of Minkee® Blankee Fabric right side up onto the PolyMesh, centered on the hoop. See *Photo 1*.

Lightly spray a 4" square piece of Aqua Film topping with 505 spray. Place the Aqua Film sprayed side down onto the Minkee® fabric.

Photo 1

Attach the hoop to the machine and select the Minkee® Pal of your choice to stitch. Embroider all but the last color of the design. See *Photo 2*.

Remove the hoop from the machine, but DO NOT remove the fabric from the hoop.

Photo 2

Clip all jump threads.

Gently tear away excess Aqua Film. (Do not wet to remove at this time).

Place another square of Minkee® right side down directly over the first piece. If desired, pin or tape at corners to secure.

Reattach the hoop to the machine and stitch the final color change (through both layers of fabric).

Remove the hoop from the machine and the fabric from the hoop.

Using embroidery scissors, carefully cut out the Minkee[®] Pal close to the stitching line. Clip curves as needed.

Cut a slit approximately 1 ½" long in the back (non-embroidered side) of the Minkee[®] Pal. See *Photo 3*.

Photo 3

Turn the animal right side out. Use a chopstick to turn out corners and curves such as ears and paws. See *Photo 4*.

Photo 4

Stuff as desired with polyester stuffing. Slip stitch the slit closed. See *Photo 5*

Photo 5

For Extra Fun:

Add definition stitching with a sewing machine or by hand.

Stitch ribbon bows or tails on your Pals to dress them up. See *Photo 6*. Please keep in mind the age of the person to be using the Minkee and plan (or omit) add-ons accordingly.
