Using OESD Lovable Moments collection with Embroider Buddies:

Supplies:

- OESD Water Soluble Topping
- OESD Stabil Stick Tear Away
- Organ 80/12 embroidery needle
- 505 temporary adhesive spray (optional)
- 5" square fabric for appliqué
- 2 colors Isacord thread
- Temporary marking pen
- Embroider Buddy of your choice

Instructions:

1. Unzip the Embroider Buddy zipper. **PHOTO 01**
2. Remove the stuffing pillows. **PHOTO 02** and **PHOTO 03**
3. Hoop a piece of OESD Stabil Stick Tear Away, with the release paper side up. **PHOTO 04**
4. Score the OESD Stabil Stick Tear Away with a pin. **PHOTO 05**
5. Peel away the release paper within the hoop. **PHOTO 06**
6. Mark where you want the center of the embroidery design on your Embroider Buddy's belly. **PHOTO 07**
7. Mark the center of the hoop on the OESD Stabil Stick **PHOTO 08**
8. Place the Embroider Buddy onto the hoop, aligning the two centers you marked. Smooth out the embroider buddy as much as possible. You may find it easier to work with the Embroidery Buddy upside down in the hoop. **PHOTO 09**
9. Place the hoop on the machine and select your design. If needed, adjust the position and orientation of the design so it lines up with the mark you made on the Embroider Buddy. **PHOTO 10**
10. Place a piece of OESD Water Soluble Topping over the embroidery area.
11. Stitch the placement line for the appliqué design. **PHOTO 11**

NOTE: As you stitch on your Embroider Buddy's belly, you will need to ensure that the rest of the Embroider Buddy is kept out of the way. Hold the excess fabric away gently as you stitch. **PHOTO 12** and **PHOTO 13**

12. If desired, lightly spray the wrong side of your appliqué fabric with 505 Temporary Adhesive Spray.
13. Place the appliqué fabric right side up over the placement line.
14. Stitch the Cut Line and Tackdown. **PHOTO 14**
15. Remove the hoop from the machine. Trim away the fabric close to the stitching line. The water soluble topping will help prevent you from accidentally clipping the Embroider Buddy fabric. **PHOTO 15**
16. Stitch the remaining color changes. **PHOTO 16**
17. Remove the project from the hoop. Tear away the excess Water Soluble Topping. **PHOTO 17**
18. Unhoop the project. Gently tear away the excess Stabil Stick stabilizer. **PHOTO 18**
19. Replace the pillows in your Embroider Buddy and zip it up! **PHOTO 19**
