1. Hoop your fabric and backing.
2. Sew the pattern/placement. **PHOTO 1**
3. Place a piece of appliqué fabric over the pattern/placement so that it is completely covered.
4. Sew the trim stitch/tackdown.
5. Carefully cut away the excess appliqué fabric. **PHOTO 2**
6. Sew the remainder of the design and repeat for any remaining pieces. **PHOTO 3**

Spring Table Runner

Supplies:

- Background fabric: ½ yard
- Backing, sashing, and binding: 1 1/3 yard
- Fabric scraps for appliqué
- Batting: 24" x 48"
- OESD Heavy Weight Tear-Away: 1 piece 10" x 14" (or large enough to hoop)
- Embroidery bobbin thread
- Isacord 40 weight polyester embroidery thread for appliqué and quilting
- Mettler 50 or 60 weight cotton thread (for piecing)
- Temporary Marking Pen
- 505 Temporary Adhesive Spray

Tools:

- Embroidery & Sewing Machine
- Embroidery Designs from 32066 Spring Table
- Rotary cutter & mat
- Ruler
- ¼" foot
- Bobbins for embroidery bobbin thread, embroidery thread, and piecing thread
- Embroidery trimming scissors

Cutting:

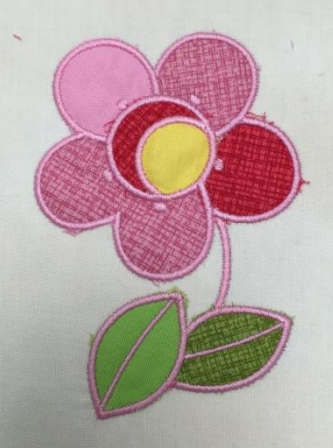

- **Of Background Fabric: ½ yard, cut:**
 - 11" strip
 - Subcut into:
 - 1 – 11" x 14" piece (large enough for hooping)
 - 1 – 11" square
 - 2 – 5 ½" squares
 - 2 – 3 1/2" width of fabric strips
 - Subcut into:
 - 2 – 22 1/2" x 3 ½"
- **Of Backing/Sashing/Binding, cut:**
 - Backing
 - 1 – 24" x 48"
 - Binding
 - 2 strips 2" x 48" (cut from length of fabric)
 - Sashing
 - 2 – 2" x 19 ½"
 - 2 – 2" x 8 ½"
 - 2 – 5 ½" x 2 ½"

Spring Table Runner

Instructions:

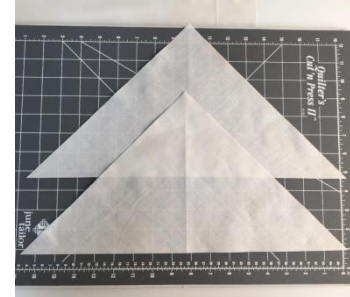

Step 1	Step 2	Step 3	Step 4
<p>Adhere the 10" x 14" fabric to the tear-away stabilizer with temporary adhesive spray. Hoop both layers as one.</p>	<p>Stitch the appliqué design of your choice (listed below). Any of the appliqués in the collection will fit the project. Follow the thread chart for stitching order.</p>	<p>For any of the appliqué pieces: First stitch the placement stitch.</p>	<p>Next, lightly spray the back of the appliqué fabric with temporary adhesive spray. Place the fabric scrap over the placement line and stitch the next color change, which is a cut line/tack down. Trim the appliqué fabric close to this line.</p>
	<ul style="list-style-type: none"> 32066-01 Springtime Flower Appliqué 32066-02 Springtime Butterfly Appliqué 32066-03 Springtime Tulip Appliqué 32066-04 Springtime Mushroom Appliqué 32066-05 Springtime Bird Appliqué 32066-06 Springtime Birdhouse Appliqué 		

Step 5	Step 6	Step 7	Step 8
<p>Repeat steps 3-4 for each appliqué piece.</p>	<p>Stitch the final color change, which is a cover stitch for the entire appliqué design.</p>	<p>Remove the project from the hoop and tear away excess stabilizer. Press face down into a towel.</p>	<p>Trim the finished embroidered block down to 5 1/2" square, centering the design.</p>
			

Spring Table Runner

Step 9	Step 10	Step 11	Step 12
Stitch the 5 ½" x 2 ½" strips as sashing between the three 5 ½" squares using a ¼" seam. Press seams to sashing side.	Stitch the 2 ½" x 19 ½" sashing strips to the top and bottom of the center section. Press to the border strips.	Stitch the 2 ½" x 8 ½" sashing strips to the right and left of the center section. Press to the border strips.	Stitch the 3 ½" x 22 ½" outer border strips to the top and bottom of the center section. Press to the sashing.
			

Step 13	Step 14	Step 15	Step 16
Cut the 11" square in half diagonally to form two triangles.	Stitch the long edge of each triangle to the right and left ends of the runner. *Note – the long edge is a bias edge – stitch carefully to avoid stretching.	Press to the triangles. The triangle will be larger than the runner. You will trim this to match after quilting.	Layer the backing fabric, batting, and runner top. The backing and batting will be about 3" larger than the runner on all sides. Adhere layers with temporary adhesive spray.
			

Spring Table Runner

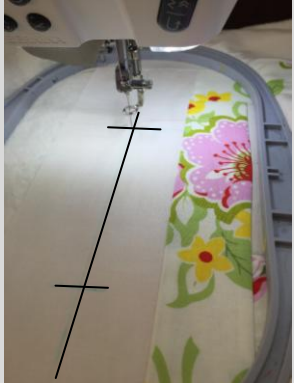

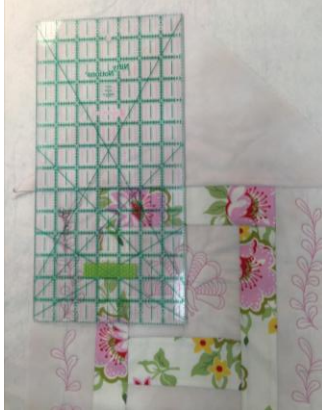

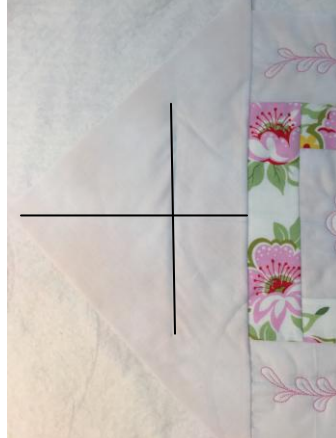

Step 17	Step 18	Step 19	Step 20
<p>Mark the center of each of the blank 5 1/2" squares.</p>	<p>Hoop the entire "quilt sandwich", centering the center of one of the 5 1/2" squares in the center of the hoop.</p>	<p>Place the hoop on the machine. Thread the needle and bobbin with matching Isacord embroidery thread.</p> <p>Select design 32066-01 OR 32066-02 (your choice). Center the design at the marked center.</p> <p>Rotate the design so the top of the design is positioned as desired.</p> <p>Pull bobbin thread to top.</p>	<p>Stitch the design through all layers.</p> <p>Repeat for other 5 1/2" block.</p>
			

Step 21	Step 22	Step 23	Step 24
<p>Mark the positions for the border designs. Start by drawing a continuous line 1 3/8" from the inner border.</p>	<p>Mark the center of each border perpendicular to the long continuous line at the center of the runner.</p>	<p>From the center, measure out 3 1/2" along the long continuous line to either side of the center.</p>	<p>From the center, measure out 8" to either side along the long continuous line.</p> <p>Repeat markings on other outer border.</p>
			

Spring Table Runner

Step 25	Step 26	Step 27	Step 28																				
<p>Determine the placement of your border designs. See the chart below for reference.</p> <table border="1" data-bbox="110 426 475 722"> <thead> <tr> <th colspan="2">Option 1</th> </tr> <tr> <th>Design #</th> <th>Position</th> </tr> </thead> <tbody> <tr> <td>32066-09</td> <td>Center of each side border</td> </tr> <tr> <td>32066-11</td> <td>3 ½" from the center of each border</td> </tr> <tr> <td>32066-13</td> <td>8" from the center of each border</td> </tr> </tbody> </table> <table border="1" data-bbox="110 751 475 1052"> <thead> <tr> <th colspan="2">Option 2</th> </tr> <tr> <th>Design #</th> <th>Position</th> </tr> </thead> <tbody> <tr> <td>32066-10</td> <td>Center of each side border</td> </tr> <tr> <td>32066-12</td> <td>3 ½" from the center of each border</td> </tr> <tr> <td>32066-12 (same as inner border)</td> <td>8" from the center of each border</td> </tr> </tbody> </table>	Option 1		Design #	Position	32066-09	Center of each side border	32066-11	3 ½" from the center of each border	32066-13	8" from the center of each border	Option 2		Design #	Position	32066-10	Center of each side border	32066-12	3 ½" from the center of each border	32066-12 (same as inner border)	8" from the center of each border	<p>Determine the number of designs you can fit in your hoop (usually 2 in a large hoop; more in an extra-large hoop).</p> <p>Starting from one end of the border, hoop fabric, batting and backing so the designs you wish to stitch fit within the hoop, and the long border center is centered vertically in the hoop. No additional stabilizer is needed.</p>	<p>Note that the top fabric will not extend to the entire width of the hoop. The basting spray will hold this in place, but you may baste with your machine as well if you wish.</p> <p>Place the hoop on the machine. Use the machine's placement tools to align the center mark of your design with the marked center on your fabric. Be sure you orient design in the correct direction.</p>	<p>Stitch the first design.</p> <p>Without unhooping the project, select the second design and position the center of the design at the center marked on the fabric.</p>
Option 1																							
Design #	Position																						
32066-09	Center of each side border																						
32066-11	3 ½" from the center of each border																						
32066-13	8" from the center of each border																						
Option 2																							
Design #	Position																						
32066-10	Center of each side border																						
32066-12	3 ½" from the center of each border																						
32066-12 (same as inner border)	8" from the center of each border																						
																							

Step 29	Step 30	Step 31	Step 32
<p>Stitch the second design.</p>	<p>Unhoop the fabric and rehoop to position to stitch the next design or designs.</p> <p>Continue these steps until both borders are quilted with all five designs on each side.</p>	<p>Mark the center of each triangle portion of the runner by marking a line perpendicular to the triangle seam from the seam to the point of the triangle.</p>	<p>Measure out from the triangle seam 2 ½" and mark a line parallel to the seam and perpendicular to the line you just marked. Repeat for the other triangle.</p>
			

Spring Table Runner

Step 33	Step 34	Step 35	Step 36
<p>Hoop the backing, batting, and runner so the marked center of one triangle is at the center of the hoop.</p> <p>Stitch the triangle motif 32066-14 or 32066-16 (for smaller hoops) OR 32066-15 or 32066-17 (for larger hoops)</p>	<p>Repeat for the other side of the triangle. The quilting is now complete.</p>	<p>Trim the backing and batting to match the borders. Trim the triangles through all layers, making sure you have a 45 degree angle where the triangle piece meets the border.</p>	<p>Optional: Quilt in 1/4" away from the seam lines in the sashing portion of the project.</p>

Step 37	Step 38
<p>Your project is ready to bind.</p>	<p>Bind as desired using the 2" strips.</p>
