## General Instructions

The embroidery instructions, included in the collection, are general instructions. For demonstration purposes, a sample design that best demonstrates the technique is shown. Fabric and thread requirements will vary by design, but the general technique is the same.

All designs are stitched with matching thread, top and bobbin.

Note: Some thread colors in instructions have been changed or digitally enhanced for better visibility.

Tip: Avoid pushing too hard on the stabilizer to prevent it from dislodging from the hoop.

## □ Step 4

- Tape in place to secure.
