Reversible Bookmarks

Pack 11661 Mark My Words 1

Supplies:

- 8" X 10" rectangle of organdy or organza (large enough to fit in your hoop).
- 4" X 8" piece of fabric for the back of the bookmark
- OESD Badgemaster Stabilizer or OESD AquaFilm Stabilizer
- OESD LightWeight Cut-Away Stabilizer
- 505 Temporary Adhesive Spray
- 606 Fusible Spray Adhesive
- Isacord Embroidery Thread
- OESD Bobbin Thread
- OESD Signature Pack 11661 [Mark My Words 1](#)
- Embroidery Machine

Directions:

Prepare the Back:

1. Spray a piece of LightWeight Cut-Away Stabilizer with 505 Temporary Spray Adhesive.
2. Smooth the fabric for the back of the bookmark on to the stabilizer.
3. Hoop the two together.
4. Stitch color 1 ("Guide Stitch") of your selected book mark design on to the fabric.
5. Remove the hoop.
6. Remove the fabric.
7. Carefully cut the piece out at the stitch line.
8. Spray the back of the piece with 606 Fusible Spray Adhesive and set aside to dry. You can repeat this step several times if you wish, letting the spray dry between each time; the more the fabric is sprayed, the firmer the bond will be.

Stitch the front:

9. Spray a layer of Badgemaster (or use 2 layers of AquaFilm) with 505 Temporary Adhesive Spray.
10. Place a layer of organdy or organza on top of the sprayed Badgemaster.
11. Hoop the two pieces as one.
12. Begin stitching the selected book mark design.
13. Stop the machine just before stitching the last color (“Border”).
14. Remove the hoop from the machine but do not remove the fabric from the hoop.
15. Spray the wrong side of the cut-out bookmark back with 505 Temporary Adhesive Spray to hold it in place throughout the final stitching.

16. Turn the hoop upside down and carefully place the bookmark back over the wrong side of the stitched design in the hoop.
17. Replace the hoop on the machine.
18. Continue embroidering the final “Border” satin stitch of the design.
19. Remove the hoop from the machine.
20. Remove the design from the hoop.
21. Gently tear away excess Badgemaster from the back of the design.
22. Trim the excess organdy or organza away with a pair of sharp scissors. Take care not to clip the threads in the design. If any small pieces of fabric show beyond the border, you can use a fabric marker that matches the satin stitch borders of the bookmark to make the edges clean & perfect.

23. Press the bookmark to permanently fuse the backing to the front of the bookmark.
